The importance of the \$50 Registration fee is to help offset payment for your son/daughter(s) insurance for the cadet year, along with funds for corps activities not funded by Department of National Defense (DND). 344 Victoria Corps offers many activities beyond those provided by DND and by purchasing this Navy League of Canada (NLC) Fish Creek Branch membership it helps to ensure the costs to run our dynamic program are covered and assists in maintaining an excellent program and fundraising activities.

The minimum average cost per cadet in RCSSC 344 Victoria is \$1000 per year. The registration fee helps covers the annual Navy League Insurance fee of approx. \$25.00 which we have to pay for every cadet. The additional \$25.00 is noted as a donation to NLC Fish Creek Branch for which you will receive a tax receipt. This registration also permits you to vote at our Annual General Meeting and the opportunity to volunteer on the board of directors. Upon registration you will be issued a card which you will have to provide when voting at the AGM, as this is proof of your registration.

Fish Creek Branch is responsible for providing suitable facilities for cadet training activities; promoting the cadet program to the community through advertising and recruiting; fundraising and managing the funds for additional activities not supported by the DND.

Many of our programs are enhanced by very generous donations from friends and families such as yourselves and we are grateful to have you as a supporter of our cadet Corps. If for any reason this amount is not financially feasible, please speak with the president of the branch directly and as soon as possible to chat about other possible payment options.

The Sea Cadet program depends heavily on parent and community volunteers. We value our volunteers and are always looking for individuals of all talents and interests to help make each youth program a success.

Volunteer Commitment

All registered participants and family members are strongly encouraged to participate in volunteering, and fundraising activities such as Bingos, Casinos, bottle drives, raffles, and other events throughout the year. This ensures Fish Creek Branch can keep the cadet programs we offer operational, fun and affordable to all.

I am interested in helping with (circle ALL that apply):

Administrative Work (Filing, scanning etc.)	Brochure/poster distribution (communities, stores, schools)	Supply management & inventory (Kit shop)
Recruitment	Advertising	Photography/Video
Canteen	Bottle Drives	Grants

Event Organization	Event Participation	Sponsorship Opportunities
BBQ's/Bake Sales	Bingo/Casino	Silent Auction Prize Collection
Raffle Coordinator	Other - Talents/Skills you can provide	IT/Systems/Website
Volunteer Coordinator	C Can Maintenance & Cleaning	NONE - I would like to donate an additional \$100 to not volunteer

Name _____ Signature _____ Date _____

*Supplementary activities such as Band, Guard, Biathlon, Marksmanship, Outdoor Adventure Training (OAT) and the necessary training aids (instruments, rifles, skis, etc.) that are necessary to provide a well-rounded program for the cadets are funded by the NLC Fish Creek Branch. These additional items are paid for solely by your fundraising efforts and donations to NLC Fish Creek Branch. All these fundraising activities take a great deal of manpower and it is essential that the parents of our cadet pitch in to make these fundraisers a success. We ask that you contact your Branch Liaison to offer your support and manpower so that we can make our cadet year the best it can be. If you or your company are looking for a great youth program to sponsor, NLC Fish Creek Branch is a registered charity and all donations (in money or gifts in kind) will be issued a tax-deductible Charitable donations receipt. Please contact us for our current "Wishes & Needs list"

We look forward to creating a positive experience together for all of our Sea Cadets!
